# Switzerland in the UN Security Council

## A Plus for the International Rule of Law?

29 and 30 September 2023

Law Faculty of the University of Basel and online

Switzerland became a member of the United Nations (UN) in September 2002 and has, since then, been involved in a wide range of UN activities. During the period of 2023/2024, Switzerland is, for the first time, sitting as a non-permanent member in the UN Security Council. This provides an opportunity for an in-depth discussion of both institutional and substantive issues in relation to the UN Security Council.
